

Clubs With Friends

Clubs with Friends seeks to improve access to local clubs for young people aged 13-25 with Special Educational Needs by supporting them to join clubs in their local communities.

By working with young people on a one to one basis, Clubs with Friends is able to explore their interest and assist them to find the right club, these could be, for example, sports clubs, drama groups or youth groups.

We have excellent knowledge of what's on offer in the local area and are compiling a wide ranging register of clubs in North Norfolk to meet all interests.

We also offer support and advice to clubs to assist them to become even more inclusive and can guide groups to apply for accessibility grants, or training.

Clubs with Friends is open to all young people aged 13-25 living in the North Norfolk area. Referrals can be made by young people, families or professionals.

Clubs with Friends is funded by North Norfolk Young Commissioners and so is **Free!**
