4.30pm, A1

Dance Club Tuesdays 3 - 4pm

Gardening Club Wednesdays 3 -
4.30pm

Neil Powell
Headteacher

“Last night I sat in the Atrium and watched the parents and carers of our new year seven students engage with the year group tutors and learning team.”

It was a heart warming and humbling sight with such a buzz of positivity. So my first thank you goes to all of the year seven team and all the parents & carers who made it last night.

I have many meetings during the week with parents and carers and this week has been no exception. It is wonderful that those meetings have all ended positively with a clear recognition that things are changing at NWHs. Children are engaging in their learning, they are getting great lessons, and working together, we are addressing all the

things that are acting as stumbling blocks to the successful progress of our students' academic success.

On the 12th October we have the chance to further build the school, to make your school the school of choice for families in North Walsham, when we hold our open evening. Please help to support us by shouting from the roof-tops how great a school this is and what an amazing experience our students get. As a Headteacher there is nothing better than seeing students and parents/carers walking around school making a decision to

come and join our family, and they are doing it in numbers. I promise you the relentless drive for improvement will not stop. We have a momentum that is breath-taking and an energy around school that is truly exciting. Don't forget to come to the parents' forum on the 5th October – all are welcome, current and prospective parents. Thank you for another week of support and see you next week.

Neil

Nathan Adams wins Erpingham 5K

Massive congratulations to Nathan Adams in Year 9, who won the Erpingham 5k run at the weekend, in the U16s male category.

Nathan was 10th place overall, even after taking a couple of wrong turns on the way, so who knows where he would have finished!! Future olympic star in the making. Well done Nathan.

Cake Sale Success!

A huge well done to Year 7 for their efforts with our cake sale today. We have raised a fantastic £226.77 so far, with more to come, for MacMillan Cancer Support.

Parents' Forum

Once every half term we hold a Parents' Forum at NWHHS.

The first meeting of the year takes place on Wednesday 5th October at 6.45pm. We have changed the venue from the Library to the Atrium Theatre.

Mr Powell will be available to answer your questions, listen to your feedback and any suggestions you may have, on the evening.

Parents' Forum is open to all Parents and Carers to attend.

However, if you are unable to attend but have something you wish to be raised, please email the Parents' Forum address at the bottom of this page.

We hope to see you there!

**Half Term Dates:
Monday 24th October -
Friday 28th October**

Learning, inspiration and creativity
Innovation, challenge and achievement
Individuality, strength and support
Relationships, respect and responsibilities
Confidence, choice and a better future

Year 11 Careers

Year 11 College morning will be held on Tuesday 4th October.

This is a chance for Year 11 students to hear all about what colleges can offer and ask any questions they may have.

The morning will include talks from Paston, Access to Music, Sheringham Sixth Form, East Norfolk, Easton & Oatley, Isaac Newton and City College.

Further details on timings and rooms will be given out next week.

Accelerated Reader update....

We have 2 new millionaires this week, both from Year 8.

Nyree McCann, having read an impressive 1,082,674 words and Hannah Jones, who has read 1,002,369 words.

Dance Club - Students teach for GCSE

Year 11 Students, Summer Waugh and Ellie Napier, were teaching the students who attended Dance Club this week, a new routine as part of their GCSE PE qualification. Year 7 student Molly McCrory said "they were amazing at dance and they really helped me". Daisy Payne also added "they should be professional, I really enjoyed myself". Jodie Napier commented "it was reallly fun, I would recommend it to anyone who wants to try Dance".

PE Teacher, Miss Abel, runs Dance Club for any students who would like to attend on a Tuesday after school at 3pm.

Students learn different routines and dance techniques, which can then be performed in Assemblies and other events throughout the year.
