Dear Parent/Carers,

New Mobile Phone Policy & School Lockers

As you will be aware we have been consulting with parents and students regarding student use of mobile phones. As a result of the consultation when we return after Easter no student will be allowed to have a mobile phone in school and to facilitate this we will be installing new vandal resistant lockers in the school in time for the start of the summer term. You can find a copy of our mobile phone policy on the school website.

The lockers are provided by Prefect Lockers and you will be able to rent a locker for the school year by visiting www.locker.rentals

The cost per school year is **£18.00**. As the lockers are being installed two thirds of the way through the year the cost for the summer term will be **£6.00**.

You can book your locker and make payment securely online by Paypal, Debit / Credit Card at www.locker.rentals . If you do not have access to the internet you can book a locker by calling Prefect Lockers on 0845 880 2426. On receipt of payment the code for the combination lock is sent to you via text or email.

Yours sincerely,

Mr N. Powell
